INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors of
The O'Fallon Community Food Pantry

I have reviewed the accompanying financial statements of the O'Fallon Community Food Pantry (a nonprofit organization) which comprise the statement of financial position as of December 31, 2019, and the related statements of activities for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of financial statements.

My responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. I believe that the results of my procedures provide a reasonable basis for my report.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

NOTE 1. SYNOPSIS OF THE O'FALLON COMMUNITY FOOD PANTRY

O'Fallon Community Food Pantry is a private, nonprofit organization dedicated to distributing donated and purchased food to needy residents of O'Fallon and Shiloh, Illinois. The Food Pantry is a volunteer-run organization and was started in 1992 as a mission of churches of O'Fallon and Shiloh. In recent years the pantry has transitioned to a community-wide food pantry supported by churches, civic organizations, businesses and individuals. The Food Pantry is a non-profit organization and has obtained its status as a 501(c) (3) organization pursuant to the Internal Revenue Code.

The Food Pantry depends on donated non-perishable food and purchases of perishable foods to stock its shelves. Food purchases averaged \$9,672 per month in 2019. The organization served an average of 760 people a month in 2019. The Food Pantry is a supplemental food source for residents in need in the O'Fallon and Shiloh area. Clients are allowed to use its services once a month.

The Food Pantry does not place a monetary value on donated food items during the year in an effort to reduce the administrative burden of its operation and attempting to do so would serve no purpose towards the organization's goal of helping the needy in the O'Fallon and Shiloh area. The Food Pantry does estimate the value of its food on hand (inventory) at year's end for reporting purposes.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The Organization prepares its financial statements in accordance with generally accepted accounting principles (GAAP) promulgated in the United States of America for Not-for-Profit entities. The significant accounting and reporting policies used by the organization are described on the next page to enhance the usefulness and understandability of the financial statements.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (con't)

Investments:

The Food Pantry's investments consist of two certificates of deposit. Interest accrues until the day the certificates of deposit mature. The value of the certificates of deposit at December 31, 2019 was \$31,166.

Recognition of Donor Contributions of Cash and Cash Equivalents:

The Food Pantry only accepts unrestricted donations of cash and cash equivalents therefore there are no restricted assets as defined in SFAS No. 116, Accounting for Contributions Received and Contributions Made. Because the Food Pantry does not accept restricted donations it has not adopted Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, an Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, an Organization is required to present a statement of cash flows. No statement of cash flows is provided in these financial statements.
